FLAG DAY EXERCISES BY ELKS IMPRESSIVE

The Flag Day Program, given under the auspices of Amarillo Lodge No. 923, B. P. O. E., at the Central Presbyterian church last night was marked by most impressive and inspiring features. The beautiful ritual of the Elks figured prominently in the exercises, reaching a climax with the singing of a floral ball in front of the stand of Exalted Ruler Wharton.

Members of the Elks lodge assembled at the home at 8 o'clock, repairing later in a body to the church where the service was opened at 8.30 in the presence of a large and attentive audience.

The chief feature of the program, was the patriotic address by Hon. R. E. Underwood who brought to his use the storied history of other nations, leading down to the eighteenth century when the incentives of liberty were lighted on the shores of the western hemisphere from whence the flames of freedom have spread throughout the civilized world. The address was marked by deep thought and eloquent presentation.

The musical features were of the highest worth, and added in greatest measure to the interest and beauty of the program, which follows:

Organ Solo—W. E. Astell.
Introductory Exercises—Exalted Ruler and Officers.
Prayer—Chaplain.
Anthem—Lift Your Head O Ye Gates, by Ashford—sung with solos by Mrs. Rankin.
History of the Elks—Hilton R. Greer.
Altar Services—Baptist and Officers.
Song, Auld Song—Sung—Officers and Members.
Elks Tribute to the Flag—J. M. Jones.
Solo—Hear the Voice of Jesus Say—Carroll Jacobs Bond—Mrs. Tait, with violin obligato by Miss Masterson.

Reading—Miss Frances Humphrey.
Patriotic Address—R. E. Underwood.
Song, America—Members and Audience.
Closing—Exalted Ruler, G. W. Wharton.

MERCHANTS PICNIC TO OCCUR NEXT WEDNESDAY

The committee having in charge shaping of final plans for the Business Men's Association Picnic to be held at Glenwood Park next Wednesday, June 19, have been active during the past several days, and will renew their activities during the first two days of the week, in order that all details may be shaped in advance of the big event.

The committee on entertainment attendance and provisions, headed, respectively by chairmen H. M. Russell, J. L. Henderson and S. C. Tolson, will meet Monday afternoon and night to perfect plans, and these will be pushed to immediate completion. Eighty per cent of the merchants have agreed to close their places of business on picnic day, and it is believed that practically all will be induced to fall in line.

The entertainment committee is working out certain novel schemes for amusement of the big crowd, and most of these will be kept under the lid until the festive day arrives. All plans are working smoothly to the end that the day and event may be made memorable from the point of enjoyment and enthusiasm.

SIX DELEGATES CHOSEN BY FARMERS INSTITUTE

The Potter County Farmers' Institute, at its meeting yesterday afternoon in the county court room, named the following delegates to the State institute at College Station:

Charles Dammier, John F. Ross, Dr. C. A. Hazzard, I. G. Foster of Amarillo, E. O. Shuey of Washburn and H. J. Weber of Canyon. The alternate delegates are: John Kerr, F. W. Zimmerman, Miss Essie Dammier, Mrs. Alois Peters, Merrill Nay and J. S. Little, all of Amarillo.

In case of the regular delegates can not go to the State institute, an alternate will be sent. Should the membership of the institute here increase sufficiently in the next week or two to entitle Amarillo to additional delegates, the alternates will be chosen in the order named above.

The delegates will leave Amarillo on the evening of July 29th and travel via the Fort Worth, Denver and Houston & Texas Central roads. An effort is being made to have the delegates return over another route, so as to come thru Lubbock and Plainview. As the delegates from Delimita and Stratford to join the Amarillo delegates are not other delegates will be chosen at Ulanie. The committee on arrangements has been asked to furnish a steamer from Amarillo to College Station on account of the long trip.

The Panhandle Institute will meet again at the Court House on the 2nd Saturday of July. The August meeting will also be held on the second Saturday, when reports will be heard from the delegates to the State Farmers' Institute. The program for the July meeting has not been completed but will include an illustrated lecture on silage feeding by Superintendent Montell of the U. S. Experiment station at Tucuman, New Mexico and an address by Mr. Fleming of Clovis, New Mexico, a successful farmer.
